Carnival 2024-25: March 29, 2025

School carnivals offer a fantastic platform to build communities and create lasting memories. A lot of planning, preparation and hard work went into our very first carnival, be it the decor, getting the handmade jewellery, paintings, food, games, shows etc. ready. The entire Anantha family worked tirelessly to make this happen.

The Carnival theme was Tinkle, and it was adorable to see our students dress up as popular tinkle characters like Suppandi, Shikari Shambhu, Kalia the crow etc.
