A new academic year unfolds!

After having successfully completed our first academic year, we are proud to forge ahead and begin yet another chapter at Anantha Academy. With more parents coming forward and entrusting their child's education and overall development with us this year, we couldn't be happier. The Anantha family grows...!

Back to School

With happy faces and twinkle in their eyes, our students were super thrilled to begin their new academic year. The first day was spent getting to know their teachers and classmates. Packed with warm up activities, funny poses at the photo booth etc it was a day filled with fun and frolic at Anantha.

Father's day celebration

What a better way to celebrate your father and his unconditional love for you! With this thought in mind, our kids got busy making Fathers day cards for their fathers/ father like figures, adding a heartfelt touch to the Fathers day celebration this year.

World Bicycle Day

As part of the Pedal for the Planet initiative, a bicycling event was organised at Anantha in collaboration with Decathlon. Our students pedaled into some great learning and fun at the same time. They were educated about the safety precautions to be taken before cycling by the experts who were present on the field.

INFINITY & BEYOND

International Day of Yoga

'Yoga' in Sanskrit means to join or unite. We all know that the benefits of Yoga are manifold and at Anantha we always believe in providing a holistic learning experience for our students. All our students performed various yoga poses along with the instructor, which relaxed their body and mind.

Flag Day

July 22nd was observed as National Flag day, which saw a patriotic fervour in school. The tricolour of the Indian flag embodies the spirit of sacrifice, oneness and the progress of our country. Our students got to know about the various Indian flags such as the National flag, the Indian Navy flag etc.

Disability Awareness Day

Disability is not an impedance. Every person has the right to live a dignified and independent life. The purpose of this day is to remove barriers in the society for disabled people by more social creating awareness. Our students were given the opportunity to showcase their talents like singing, dancing etc as part of the celebration.

Kargil Diwas

Kargil Diwas - A reminder of our brave soldiers who fought in extreme weather conditions during the Kargil war, 1999. Anantha students were given a glimpse into the memorable day by way of videos showing the essence of the sacrifice and grit of the Indian soldiers.

Parents Day

Art, Games, Open mic - It was a fun - filled Parents day at Anantha. A day to unwind and let their hair down; this was the whole intention behind planning this day for the parents.

Friendships day

Art, Games, Open mic - It was a fun - filled Parents day at Anantha. A day to unwind and let their hair down; this was the whole intention behind planning this day for the parents.

Independence Day

This year's Independence Day celebrations saw a mash up of patriotic spirit and display of Indian folklore. From Nagaland to Kerala to West Bengal, the teachers and students looked dashing in their regional costumes.

Ramandeep Kaur - India's No: 1 boxer and WBC Title champion, presided as the Chief guest for the event.

Outing to MAP

Our students were taken for a day's outing to MAP - Museum of Art and Photography, Bengaluru. It was both, a visual and great learning experience for our students, who also got to try out block printing on textured fabrics during their visit.

Raksha bandhan celebrations

A festival that celebrates a brother sister bond was also celebrated in our school. Kids made their own 'threads of love' and tied for each other.

Janmashtami & Ganesh Chaturthi celebrations

Anantha conducted a special assembly on both these days and helped our students understand the reason behind celebrating such religious festivals in our country. Role plays were done by the teachers.
