

INFINITY & BEYOND

Quarterly Newsletter

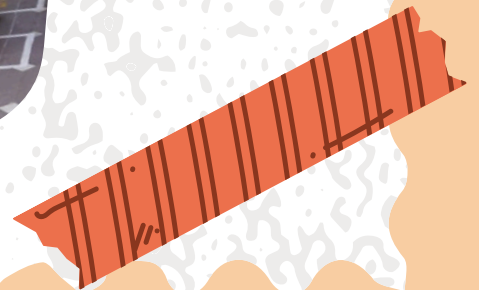

Volume II

Welcome to the second edition of our quarterly newsletter! A lot has happened ever since we have moved to the second term of this academic year. Hope y'all have as much fun reading through as much as we had putting this together for you.

Thank you for your love & support!
Team Anantha

1. Independence day celebration, Aug 2024

Our patriotic spirits flew higher on the occasion of the Independence Day celebrations in school. Students did the march past and sang patriotic songs on this day. They were dressed up as famous national leaders like Subhash Chandra Bose, Gandhiji, Chacha Nehru, Rani Laxmi Bai, Indira Gandhi etc. We also made a flower rangoli which added more colour to the overall celebrations

2. Teachers Day, Sep 2024

A day to commemorate and thank the warriors of Anantha – Our beloved Teachers! The Management hosted a surprise function in school as a token of gratitude for all the hard work and dedication they put in every single day. The smiles on every teacher's face was heart-warming and we couldn't be happier.

3. International Day of Sign Language, Sep 2024

This day was observed to acknowledge the significance of sign language in the lives of the deaf. It helped to raise awareness and the need for communities to take necessary action to ensure inclusiveness of all deaf people.

4. Onam Competition, Sep 2024

Onam celebration is incomplete without 'pookalam' or the flower rangoli. The three school houses fought neck to neck to make the best pookalam and bag the prize. Our students, all dolled up in ethnic wear for the occasion, were very excited to get the pookalams ready.

5. Launch of Computer Coding Classes, Sep 2024

Anantha Academy, in association with HashHackCode, rolls out computer coding classes in school. A free coding workshop was also conducted to showcase the various courses being offered.

6. Halloween Celebration, Oct 2024

Spookiness filled every nook and corner of Anantha for our Halloween Celebrations. From Vampire to Skull face, Alice in Wonderland to Hotel Transylvania, it was an exemplary 'DIY' horror setting all over. Students were also taken to the neighbourhood for Trick & Treat.

7. Launch of our in-house product line: Pipilika, Oct 2024

Anantha Academy launched its product line curated by the students themselves. Pipilika, a Sanskrit word for 'ant' implies the hardwork done by our students to showcase their ability to achieve anything in life. The brand officially took wings at a baking event in the city recently, where all our food products were well received by the public. Our school also won the 'Best Food presentation' award.

8. Foundation Day, Nov 2024

Anantha family turned 1 on November 8, 2024. It was a special day for all of us and the team went out of their way to commemorate the two pillars of our school – Harsha Vellal and Sharmila Jois Vellal.

9. Children's day activity, Nov 2024

Students from a college in the city came forward to make the Children's Day celebrations extra special for our kids. All our students thoroughly enjoyed the activities like art, singing and dancing and we couldn't be happier!

10. School picnic, Nov 2024

A day outing to Prani, a pet sanctuary in the outskirts of the city, was a well-deserved break for the staff and students. Everyone enjoyed thoroughly. Petting the animals and getting to interact with them up close had a good therapeutic effect on the kids.

11. GO KRIDA, Dec 2024

We conducted our very first inter school sports event, GO KRIDA this year. Around 9 special needs school participated in this sports fest, and it was truly a spectacle watching every participant give their best on the field.

12. Parent welfare workshop (2nd edition), Dec 2024

Anantha Academy conducted its second Parent's workshop in collaboration with StoryZone, a well-known art-based workshop provider in the city. It was satisfying to see how each of our parents meticulously created their hand built clay masterpieces.

Upcoming events:

- Makar Sankranti celebrations
- Carnival 2024– 25
- NIOS Exams
